P.O. Box 2540
Clifton, NJ 07015

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(B) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) or 4(a) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 3894-54."
 - b. In the ingredient statement, the words "Active Ingredient" should be in the singular.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-71 enclosure for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

-2-

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Kills Moths & Larvae in Closets

MOTH-TEK™ Cedar Mothproofer Individual Packets is a product which combines a proven moth killer and a specially designed packet. Permits ease of handling without the need to directly touch moth killer. The specially designed paper packet provides a moth protection delivery system utilizing high technology paper which maintains a continuously uniform flow of effective moth protection.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product
in a manner inconsistent with its labeling.

Prepare articles for storage by thoroughly brushing and cleaning, then place in an airtight trunk, garment bag, chest, closet or drawer. Use ½ pound (58 packets) of MOTH-TEK™ Cedar Mothproofer Individual Packets for each 25 cubic feet of confined storage space. Use MOTH-TEK™ Cedar Mothproofer Individual Packets liberally throughout storage space to provide uniform moth protection. Storage containers should be tightly closed at all times to maximize protection.

MOTH-TEK™ Cedar Mothproofer Individual Packets contains paradichlorobenzene which should not be mixed or put into contact with other moth preventative chemicals or placed on painted, polished or plastic surfaces.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with skin or eyes.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

If in Eyes: Immediately flush with plenty of water for 15 minutes. Get medical attention.

If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.
