WASHINGTON, DC 20460

EPA REGISTRATION NO.
3884-63

DATE OF ISSUANCE
February 5, 1993

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

Moth-Tek Paper Covered Moth Ball Packets

NAME AND ADDRESS OF REGISTRANT (Include ZIP code.)

Excell Products Corporation
400 Kuller Road
P.O. Box 2549
Clifton, NJ 07015

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Add the phrase, "EPA Registration No. 3884-63" to your label before you release the product for shipment.
3. Since the active ingredient source is from an EPA registered source you must submit :
 - Guidelines Ref. No. 63-15 - Flammability
(which is stated in the Confidential Statement of Formula)
 - Guidelines Ref. No. 63-16 - Explodability
 - Guidelines Ref. No. 63-17 - Storage Stability
 - Guidelines Ref. No. 63-20 - Corrosion Characteristics
4. Delete the word "Maximum" from the front panel of the product labeling. Please refer to PR Notice 91-7 for the Agency's position on unquantified claims of heightened efficacy.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

For your information:

- The revised Confidential Statements of Formula dated 11-18-92 for three different fragrances (one basic formulation and two alternate formulations) are filled out correctly and completely. They are in compliance with PR Notice 91-2, agree with the label claim (the nominal concentration) and are acceptable.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Ruth G. Douglas
Product Manager (32)
Antimicrobial Program Branch
Registration Division (H7504C)

EVER SMELLED THIS GOOD!

EXCELL
SINCE 1979

Moth-Tek
PAPER COVERED
MOTH BALL PACKETS

"MOTH BALLS NEVER SMELLED THIS GOOD!"

MOTH-TEK Moth Ball Packets were specially developed to protect you and your clothes from messy flaking moth balls without the harsh smell and messy residue of the most effective mothproofing ingredients available. Moth balls are enclosed in breathable paper packets which work while protecting you and your clothes from messy flaking.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner not intended. Clean all fabrics BEFORE storage. Place garments in storage containers throughout the storage area at a rate of 1-2 packets per small storage box (approximately 3' x 1' x 1') will need 4-6 packets, a chest (approximately 4' x 1 1/2' x 1 1/2') may require 10-16 packets, place 2-3 packets in the pockets of each garment as well as in an average storage closet (4' x 2' x 8') scatter 24-36 packets. Storage containers should be tightly closed at all times. MOTH-TEK Packets contain paradichlorobenzene which should not be in contact with other moth preventative chemicals or placed on surfaces.

STORAGE AND DISPOSAL

STORAGE: Store in original container in a cool, dry place.
DISPOSAL: Do not reuse cellophane or any portion of this product. Throw in trash.
Notice: California has determined that a chemical contained in this product is a known carcinogen based on tests performed on laboratory animals.

PRECAUTIONARY STATEMENT

Hazard to Humans and Domestic Animals
CAUTION: Harmful if swallowed. Avoid contact with skin and eyes.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Drink promptly a large quantity of water. Do not induce vomiting. Get medical attention.
If in Eyes: Immediately flush with plenty of water for 15 minutes.
If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.
