

# CERTIFIED MINT-A-LENE

Certified Mint-a-lene is a general purpose disinfectant especially formulated for schools, hospitals, office buildings, and public institutions. Dilute 2½ ounces of Certified Mint-a-lene to every gallon of water to disinfect and deodorize floors, toilet rooms, urinals, garbage cans, food plant floors, hospital interiors, and kitchens. Certified Mint-a-lene is highly toxic against a broad spectrum of both gram-positive and gram-negative bacteria.

#### SPRAYING

Certified Mint-a-lene may be sprayed in a solution of 4 ounces of Certified Mint-a-lene to every gallon of water on surfaces that are impractical to mop. Certified Mint-a-lene's fragrant aroma pleases the most particular people.

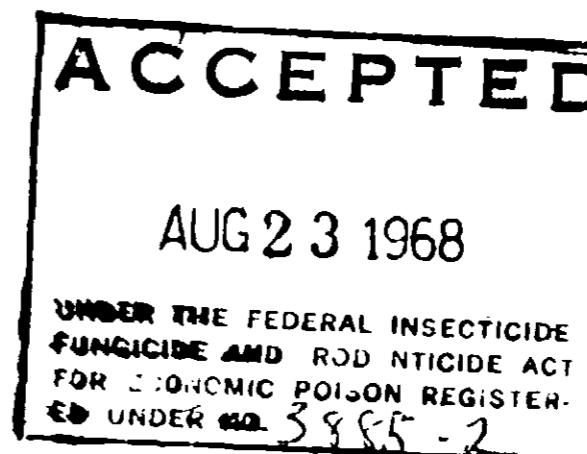

## DISINFECTANT GERMICIDE CLEANSER DEODORANT

Phenol Coefficient 5 A.O.A.C. Method

ACTIVE INGREDIENTS: . . . . . 24.90%

- Isopropyl Alcohol
- Vegetable Oil Soap
- Ortho-benzyl para-chlorophenol
- Terpineol
- Methyl Salicylate

INERT INGREDIENTS: Water . . . . . 75.10%

#### LOCKER ROOM

Certified Mint-a-lene acts as an aid in reducing transmission of athlete's foot fungi in locker rooms, around swimming pools, and washrooms. Dilute 1½ ounces to every gallon of water and mop locker room floors, benches and bath mats daily. Apply solution so as to wet all surfaces thoroughly.

Caution: Harmful if swallowed. Avoid contact with skin and eyes. In case of contact, flush with plenty of water.
