CAUTION

Harmful if swallowed. Avoid contamination of feed or food stuffs.

The use of this product in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using.

Do not remain in treated areas and ventilate the area after treatment is completed.

This insecticide is an oil base material and should not be sprayed, stored or otherwise exposed to an open flame. Not more than one gallon should be sprayed in 40,000 cubic feet of enclosed space in order to avoid an explosion hazard.

Remove pets, birds and cover fish aquariums before spraying.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place or return to drum reconditioner.
