

SECTROL

An oil solution for indoor application as a surface spray on basement walls, porches, door sills of houses and buildings used for storage of materials other than feedstuffs or food. Use in spot treatments for the control of cockroaches, spiders, silverfish, crickets, earwigs and scorpions.

For the control of silverfish and crickets, be sure to spray behind shelves, bookcases and storage areas.

For control of box elderbugs and clover mites, be sure to spray in and around doorsills, window frames, infested porches and around the sides of the house or building.

RESIDUAL SPRAY

ACTIVE INGREDIENTS

| | |
|---------------------------------------|----------|
