PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals
If inhaled or swallowed. Contains cholinesterase inhibitor. Atropine is antidotal.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NO BUGS Insecticidal Shelf & Drawer Paper is treated to kill ants, roaches, and silverfish. Insects die after contact. Line drawers and cabinets. Use in and around garbage storage areas. Put under sinks and in broom closets. Protect floors, rugs, and valuable documents. Covering with treated paper. Clean or sun and brush garments before wrapping for storage.

Do not place wrapped or unwrapped treated paper in food or drink.

Re-line drawers at least twice a year. Exposed areas must be frequently when effective less than one year.

Wash hands with soap and water after use.
