Antimicrobials Division (7510C)
1200 Pennsylvania Avenue, NW
Washington, D.C. 20460-0001

EPA Reg. Number:

3931-3

Date of Issuance:

September 11, 2003

NOTICE OF PESTICIDE:

☐ Registration
☒ Reregistration

(Under FIFRA, as amended)

Terms of Issuance:

Unconditional

Name of Pesticide Product:

Ancocide 4010

Name and Address of Registrant (include ZIP Code):

Anderson Chemical Company, Inc.
1840 Waterville Rd.
Macon, GA 31206

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

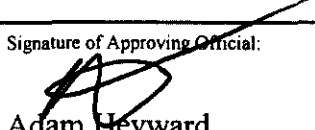

On the basis of information furnished by the registrant, the above-named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Document, EPA has reregistered the product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

- The following label revisions must be made per EPA letter dated August 21, 2000.

Signature of Approving Official:

Adam Heyward
Product Manager 34
Regulatory Management Branch II
Antimicrobials Division (7510C)

Date:

September 11, 2003

1. The first aid statement must be placed in the following order:

IF ON SKIN OR CLOTHING:

IF IN EYES:

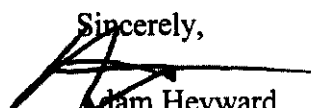

IF INHALED:

IF SWALLOWED:

If these conditions are not compiled with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Adam Heyward

Product Manager (34)

Regulatory Management Branch II

Antimicrobials Division 7510C

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL PRECAUTIONS AND RESTRICTIONS:

Do not apply this product in a way that will contact other persons. Only protected handlers may be in the area during application.

GENERAL INFORMATION:

FOR USE IN INDUSTRIAL RECIRCULATION WATER COOLING TOWERS AND AIR WASHERS

ANCOCIDE 4010 is highly effective fungicide, bactericide and algaecide for use in controlling the growth of fungi, bacteria and algae found in industrial recirculating water cooling towers and air washers that maintain effective mist eliminating components.

Dosage for industrial recirculating water cooling towers or air washers will depend on the condition of the system prior to treatment initiation. Systems which are heavily contaminated should be cleaned first.

APPLICATION INSTRUCTIONS:

Apply ANCOCIDE 4010 to the cleaned system or when growth is first noticed, according to the following schedule:

Initial Dose: Apply 1-2 quarts of product per each 1000 gallons of water in the system. This dose may be repeated once, twice or three times weekly or as required to control the growth of slime forming organisms. Slug addition should be made in the sump of water cooling towers.

Subsequent Dose: When microbial control is evident add 1 quart of ANCOCIDE 4010 per 1000 gallons of water in the system every three days or as needed.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and their permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

 DANGER - POISON**

FIRST AID

If inhaled	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.
If in eyes	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. <i>*The statements for products containing petroleum distillates may be different.</i>

HOT LINE NUMBER: 1-800-424-9300

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

NOTE TO PHYSICIAN

Probable/Locust damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Fatal if absorbed through skin. Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear goggles or face shield. Wear protective clothing (long-sleeve shirt and long pants, socks plus shoes and chemical resistant gloves such as waterproof gloves).

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and handlers must wear:

- long-sleeve shirt and long pants
- socks plus shoes
- chemical-resistant gloves (such as rubber or waterproof gloves)

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS

Users should:

- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

STORAGE AND DISPOSAL

1. **PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

2. **PESTICIDE DISPOSAL:** Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.

3. CONTAINERS STORAGE AND DISPOSAL:

- Reuse container and offer for reconditioning, or
 - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
- Plastic Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

4. **GENERAL:** Consult federal, state or local disposal authorities for approved alternative procedures.
