ACTIVE INGREDIENTS 19.4%
Sodium pentachlorophenate 17.0%
Sodium salts of other chlorophenols 2.4%
INERT INGREDIENTS 80.6%

WARNING:

Avoid contact with skin or clothing. Causes skin irritation. Absorbed through skin. Do Not take internally. Wash thoroughly after handling. In case of contact, wash skin at once with plenty of water; for eyes, flush with plenty of water for 15 minutes and get medical attention. Remove and wash clothing before reuse. If swallowed, induce vomiting. Call a physician.

DIRECTIONS FOR USE:

TO INHIBIT GROWTHS: Add two quarts for each 1,000 gallons of water in the system, about every 30 days.

TO KILL GROWTHS ALREADY ESTABLISHED: Add three quarts for each 1,000 gallons of water. Where large masses of algae are loosened, it is advisable to remove them with a brush or broom to prevent possible clogging of strainers in the system.

Toxic to fish and wildlife. Keep out of water not used for industrial purposes.

B BARCOLENE DISINFECTANT CLEANER

To prevent Mold & Mildew & the odors they cause on
 hard non porous surfaces. Kills Staph & Strep Germs.
 Athlete's Foot Fungus. Influenza Virus. And House
 Hold Germs on environmental surfaces.

For use on all hard non porous surfaces and disinfecting of
 washable surfaces in the home. Such as: walls, woodwork,
 floors, bathroom and kitchen surfaces, tile, enamel, por-
 celain, linoleum, garage cars, pet areas and finished
 surfaces in automobiles, boats, closets, storage areas,
 cellars and garages.

DIRECTIONS: Use 2 ounces for each one gallon of warm
 water. No hot water or rinsing necessary. For best re-
 sults use Barcolene Disinfectant Cleaner with a cloth or mop
 and apply to walls, floors and other similar hard surfaces.
 For low current drain surfaces prior to application and
 removal of mold growth.

FOR DISINFECTING TOILET BOWLS: Use 100 ounces (3
 1/2 gallons) of full strength in bowl. Swab on surface
 around and under the rim to remove stains. Flush to rinse.
 For extremely bad stain conditions, remove standing water
 from bowl. Apply Barcolene Disinfectant Cleaner liberally
 with swab and allow to remain in contact with stains for at
 least 10 minutes before swabbing and rinsing. Barcolene
 is suitable for use on all toilet bowls.

WARNING: Do not use on skin or eyes. Do not use on
 electrical equipment. Harmful to aquatic life. Avoid
 contact with food.
