Mr. George Bassett
Southern Chemical Products Company
P.O. Box 205
430 Lower Boundary Street
Macon, GA 31297

Dear Mr. Bassett:

Subject: Ant & Roach Spray
EPA Registration No. 4000-92
Your Application Dated May 5, 1986

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

1. Change the signal word from "WARNING" to "CAUTION."
2. The statement "Do not use in edible product areas of food handling . . ." in your Physical and Chemical Hazards paragraph must be placed in your Hazards to Humans and Domestic Animals paragraph.

These changes must be made before this label is released for shipment. Submit five copies of final printed labeling incorporating the above comments.

Sincerely yours,

^{LJS}
Lawrence J. Schnaubelt

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

FLAMMABLE

KEEP OUT OF REACH OF CHILDREN

May be harmful if swallowed, inhaled or absorbed through the skin. Avoid spray mist and provide adequate ventilation of area being treated. Skin, eyes or clothing should be avoided.

STATEMENT OF PRACTICAL TREATMENT FIRST AID PROCEDURES

EYES: Flush with water for 15 minutes. Seek medical attention.

SKIN: Wash area with soap and water. Seek medical treatment if irritated.

INGESTION: Do not induce vomiting. Seek medical aid immediately.

PHYSICIANS: Atropine sulfate is antidotal.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish, birds, and other wildlife. Keep out of any water. Do not apply where runoff is likely to occur. Do not apply when weather is likely to cause drift from areas treated. Do not contaminate water by disposal. Apply this product only as specified on this label.

PHYSICAL AND CHEMICAL HAZARDS

FLAMMABLE. Contents under pressure. Do not use near fire, open flames, or heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 120 degrees F. may cause bursting.

Do not use in edible product areas of food processing plants, restaurants, or areas where food is commercially prepared or processed. Do not use in areas where food is exposed. Avoid excessive wetting of plastic, rubber, or other surfaces such as tiles and floor covering.

DIRECTIONS FOR USE

SPRAY ONLY ON HARD SURFACES. DO NOT USE AS A SPRAY. It is a violation of federal law to use this product in a manner inconsistent with labeling.

General: Hold can upright. Spray infested surfaces only until wet. Do not spray on people, plants and pets.

Indoor Use: ANTS, COCKROACHES, CRICKETS, SILVERFISH BEETLES, SCORPIONS, SAWTOOTHED GRAB BEETLES (exposed stage), WATER BEETLES. Spray into cracks, crevices and around baseboards. Apply behind and below refrigerators, sinks, stoves, and in and around waste containers. Repeat as necessary. Do not spray foodstuffs or house plants. For ants spray trails and places where they enter premises. Do not allow children to contact treated surfaces until completely dry.

BROWN DOG TICKS: Spray sleeping quarters of pets, around baseboards and door frames, wall cracks and local areas of floors. Repeat as necessary. Bedding should be placed in animal quarters after spraying.

DO NOT SPRAY ANIMALS

Outdoor Use: ANTS, CLOVER MITES, CRICKETS, EARWIGS, FLEA BEETLES, SOWBUGS, AND BROWN DOG TICKS. Spray infested areas through outside surfaces of screens, doors, window frames, foundations, and places where insects may enter for ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

STORAGE AND DISPOSAL

STORAGE: Do not store in direct sunlight. Store at temperatures below 120 degrees F.

CONTAINER DISPOSAL: Do not reuse empty container. Replace cap and discard container in trash. Do not incinerate or puncture.
