PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS AND
DOMESTIC ANIMALSPHYSICAL OR CHEMICAL HAZARD: Flammable. Contents
under pressure. Do not use near fire, sparks, or flame. Do
not puncture or incinerate container. Exposure to tempera-
tures above 130° F may cause bursting.CAUTION: Harmful if swallowed or absorbed through skin.
Avoid breathing vapors or spray mist. Avoid contact with skin
and eyes. In case of contact, immediately flush eyes or skin
with plenty of water. Obtain medical attention if irritation per-
sists. Keep out of reach of children. Ventilate after treatment
is completed.Do not apply directly to food. In commercial food handling fa-
cilities, cover or remove any food and food processing equip-
ment during application. Do not apply while food processing is
underway. After space spraying in meat packing plants, bak-
eries and other food processing plants, wash all equipment,
benches, shelving, etc., where exposed food will be handled,
with potable water. In the home, all food processing surfaces
and utensils should be covered during treatment, or thoroughly
washed before use.

Remove pets, birds, and cover fish aquariums before spraying.

Storage and Disposal

Storage: Store in a cool dry area away from heat or open flame.
Disposal: Do not reuse empty container. Wrap container and
put in trash collection.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner
inconsistent with its labeling.For use in home, institutions, food processing plants, restau-
rants, kitchens, dairies, closed barns, warehouses, box cars
and trucks. Authorized for use in federally inspected meat
and poultry plants.ROACHES: Open drawers, cabinets and similar places and di-
rect mist into such places as well as into cracks, crevices and
other potential harbourages in order to activate insects, using
a dosage of 30 seconds per 100 square feet of floor space.
Spray insects directly when possible. Use convenient ORB
#114 X Extension Nozzle for crack and crevice treatment. Fol-
low immediately by applying as a space insecticide. Fill the
room with spray mist, spraying 8 to 5 seconds per 1000 cubic
feet of space. Sweep up fallen insects. Keep room closed for
30 minutes after treatment. Repeat treatment weekly until in-
festation is under control and then every two weeks or as
needed.
