* Contains 0.24% (Butyl Carbityl)
(4-propyl Piperonyl) Ether and
0.06% other related compounds.

Net Content: 14 oz. Avdp

VEND-I-CIDE is a specially selected combination of powerful insecticidal agents formulated specially for use as an insect control product for the vending trade.

VEND-I-CIDE is ODORLESS and minimizes the risk of imparting any taste to foodstuffs or equipment when used as directed.

VEND-I-CIDE kills flies, mosquitos, roaches, water bugs, ants, silver fish and fruit flies on contact.

VEND-I-CIDE is a synergised pyrethrum formula which is the preferred type of insecticide for use in food processing areas due to its low toxicity.

DIRECTIONS

For best results hold can upright 2 to 3 feet from surface to be sprayed. Spray only until wet. Spray floor under vendor, legs and bottom of cabinet. Repeat as necessary.
