

9128 2010 UNITE STATES ENVIRONMENTAL PROTECTIO AGENCY

Martha Marrapese Agent for W.M. Barr and Company, Inc. Keller & Heckman, LLP 1001 G Street, N.W., Suite 500 West Washington, D.C. 20001

SUBJECT: Miltrol EPA Registration Number: 4091-12 Application Date: September 2, 2010 Receipt Date: September 3, 2010

Dear Ms. Marrapese:

This letter acknowledges receipt of the notification identified above submitted under the provisions of section 3 (c) 9 the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended and PR Notice 98-10.

- Addition of marketing claims
- Additional brand name: DampRid Mildew & Mold Blocker

Based on a review of the submitted information, this notification is acceptable. In addition to the alternate brand name, the following marketing claims are acceptable: "Prevents Mold Growth," "Prevents Mold and Mildew Growth and Odors," "Invisible Mold Barrier," "Indoor & Outdoor Use <u>Plus</u> Fabrics," "3 MONTH," "Waterproof," and "When you clean mold and mildew you can make the clean last longer with [Miltrol] [Mold Armor Mold Blocker] [DampRid Mildew & Mold Blocker]. [And, it's guaranteed effective.]" This information will be made part of the record for this file. Should you have any questions concerning this letter, please contact Tracy Lantz at (703) 308-6415.

Sincerely,

Velma Noble Product Manager (31) Regulatory Management Branch I Antimicrobials Division (7510P)

. .

Miltrol provides protection from mold and mildew staining when properly applied. Miltrol establishes a barrier between most household non-porous surfaces and bacteria and mold/mildew that cause odor, staining, and discoloration.

When you clean mold and mildew you can make the clean last longer with [Miltrol] [Mold Armor[®] Mold Blocker] [DampRid[®] Mildew & Mold Blocker]. [And, it's guaranteed effective.]

Spray Miltrol on glazed tiles, tub, shower curtains, shower stalls, sinks, wall paper for non-contact surfaces, window sills, cabinets, garbage cans, appliances, and vanity tops weekly to replenish barrier. Use on clothing, bedding, upholstery, and drapes. Great for roofs. Reapply every 3 months.

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if inhaled or absorbed through the skin. Avoid breathing vapors or spray mist. Avoid contact with eyes and skin. Wash with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911, then give artificial respiration preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Bathroom and Non-Food Contact Kitchen Surfaces

Tubs, glazed tiles, vanity tops, shower curtains, shower stalls (areas), sinks, washable walls, wall paper for non-food contact, floors, window sills, cabinets, garbage cans, exteriors of appliances, refrigerator exteriors, fiberglass, Formica, glazed porcelain, synthetic marble, plastic vinyl.

SPRAY: Shake well. Using trigger pump sprayer, spray entire surface area 4"-6" from the surface making sure the surface is completely covered. Let stand until dry or let stand for 3 minutes and wipe dry with clean cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. If necessary, reapply every three months or when odor, staining, and discoloration due to bacteria, mold stains, or mildew stains return.

Linens, Draperies, Fabric and Apparel

Bed sheets, blankets, bedspreads, curtains, draperies (washable only), underwear, socks, intimate apparel, hosiery, throw rugs, toweling, toilet tank covers, shower curtains, shoe insoles, outerwear apparel (jackets, sweaters, sweatshirts, coats, raincoats, overcoats, jerseys, ponchos), and fabrics made out of acetates, acrylics, cotton, fiberglass, linen, Lycra, nylon, orlon, polyester, polyethylene, polypropylene, rayon, silk, spandex, vinyl, and wool.

SPRAY: Clean surface prior to application. Shake well. Using trigger pump sprayer, spray entire surface area 4"-6" from the surface making sure the surface is completely covered. Let stand until dry or let stand for 3 minutes and wipe dry with clean cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. Test for staining and color-fastness of fabric by treating and drying a small concealed area prior to application. If necessary, reapply every three months or when odor, staining, and discoloration due to bacteria, mold stains, or mildew stains return.

Air filters and filter material for furnaces, air conditioners, air purification systems, automobiles, recirculating air handling systems, vacuum cleaner filters, and aquariums.

SPRAY: When treating filters, remove filter from unit. Shake well. Using trigger pump sprayer, spray entire surface area 4"-6" from the surface making sure the surface is completely covered. Let stand until dry. If spotting occurs, wipe with moist cloth or sponge. If necessary, reapply every three months or when odor, staining, and discoloration due to bacteria, mold stains, or mildew stains return.

Carpet

SPRAY: Apply to clean carpet. Shake well. Using trigger pump sprayer, spray entire surface area 4"-6" from the surface making sure the surface is completely covered. For rotary jet extraction cleaners and carpet steamers, add product directly to cleaning tank, then operate the equipment in accordance with manufacturer's instructions. Apply and then let stand until dry. If spotting occurs, wipe with moist cloth or sponge. Test for staining and color-fastness of fabric by treating and drying a small concealed area prior to application. Miltrol treats approximately 200 sq. feet per gallon. When treating coarser substrates (e.g., wool carpeting), more Miltrol may be required due to absorption. Dry carpet areas and surfaces before re-entry. A fan may be used to assist in drying carpeting. Remove children and pets from treated area until completely dried. If necessary, reapply every three months or when odor, staining, and discoloration due to bacteria, mold stains, or mildew stains return.

100210

MASTER LABEL

¢

Bedding, Upholstery/Furniture

Mattress pad and mattress ticking and upholstery composed of acetates, acrylics, cotton, fiberglass, nylon, polyethylene, polyolefins, polypropylene, rayon, silk, spandex, vinyl, wool, and fiberfill to be used in upholstery, sleeping bags, apparel where the fiber is cotton, natural down, nylon, rayon, or wool.

SPRAY: Clean surface prior to application. Shake well. Using trigger pump sprayer, spray entire surface area 4"-6" from the surface making sure the surface is completely covered. Let stand until dry. If spotting occurs, wipe with moist cloth or sponge. Test for staining and color-fastness of fabric by treating and drying a small concealed area prior to application. When applying to mattress pads and ticking do not soak. Remove children and pets from treated area until completely dried. If necessary, reapply every three months or when odor, staining, and discoloration due to bacteria, mold stains, or mildew stains return.

STORAGE AND DISPOSAL: Store in area inaccessible to children. Do not refill the container. Rinse and discard in trash or recycle.
