

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, DC 20460

OFFICE OF CHEMICAL SAFETY  
AND POLLUTION PREVENTION

July 20, 2018

Tony Herber  
Agent  
W.M. Barr & Company, Inc  
6750 Lenox Center Court, Suite 200  
Memphis, TN 38115

Subject: Notification per PRN 98-10 – Update text related to storage and disposal.  
Product Name: MOLD ARMOR E-Z HOUSE WASH  
EPA Registration Number: 4091-19  
Application Date: 6/20/2018  
Decision Number: 542351

Dear Mr. Herber:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Tiffany Tran at (703) 347-0414 or via email at [tran.tiffany@epa.gov](mailto:tran.tiffany@epa.gov).

Sincerely,

A handwritten signature in blue ink that reads "Wanda J. Fuller, for".

Demson Fuller, Product Manager 32  
Regulatory Management Branch II  
Antimicrobials Division (7510P)  
Office of Pesticide Programs

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

#### DANGER

Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear goggles or safety glasses and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

#### FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [National Poison Control Center: 1-800-222-1222]

#### Physical and Chemical Hazards

This product contains an oxidizing agent. Do not use or mix with other chemicals. Prolonged contact of undiluted product with metal may cause pitting or discoloration.

#### ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms. To protect the environment, do not allow pesticide to enter or run off into storm drains, ditches, or surface waters.

#### STORAGE AND DISPOSAL

Store with lid closed [or lever/switch in off position] in areas inaccessible to children, in a cool dry area, away from direct sunlight and heat to avoid deterioration.

{for sprayer intended to be refilled by the consumer}

Container Handling: Do not reuse or refill this container except as described in the directions for use. Refill only with this product [-or- product name]. Offer empty container for recycling or discard in trash.

{for container (~~4~~5 gallons or less) not intended to be refilled by the consumer}

Container Handling: Nonrefillable container. Do not reuse or refill this container. Offer empty container for recycling or discard in trash. Do not reuse this bottle for any other purpose.

{Lot code and/or expiration date may appear on either the container or label}

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Important: Carefully read all directions, notes and conditions prior to use. Only use this product as directed on the label. For outdoor use only. Oxidation from sun and elements [mold], [mildew] [or] [algae] can cause permanent discoloration on outside surfaces. Test on an inconspicuous area before using. Wear eye protection and rubber gloves during use. Formula may stain clothes and shoes – dress appropriately.

[Helpful tips:] [Do not use on cedar or redwood that is less than 2 years old.] [Avoid contact with metal surfaces, clothing, carpet, fabrics, floor coverings or vegetation.] [Do not use in windy conditions.] [Use of this product may loosen fibers from surfaces environmentally damaged by sun, wind and rain]. [Particularly stubborn stains may require a second application.] [Not for use on deteriorated surfaces (old wood, paint, etc.) unless you intend to

Note to reviewer: All text in brackets [...] is optional and may or may not be included on a final label. All text in braces {...} is administrative and will not appear on a final label. Portions or all of the label may be bilingual.

refinish surface.][Not recommended for use on [automobiles] [-or- cars -or- vehicles] [, boats] [, RV's] [, alloy wheels] [, unpainted metal].]

**{For Hose End containers/applicators:}**

**{Option 1}**

To kill [and remove] mold [and mildew]:

1. Attach garden hose to nozzle with throttle pushed back closest to the hose side of the sprayer. 2. Turn on water to hose. 3. With slider in RINSE position, push throttle forward and spray surrounding plants with water. 4. Turn slider to CLEAN and coat the area to be cleaned, working from the ground upward. Allow product to work for 10 minutes. 5. Turn slider to RINSE and rinse area well with water. 6. Move to a new area and repeat. If staining persists a second coat may be required. 7. Spray surrounding plants with water after use. 8. Push throttle back toward hose side of sprayer and turn off completely for storage.

**{Option 2}**

1. Spray surrounding plants with water. 2. Attach garden hose to nozzle with valve in OFF position. Turn on water to hose. 3. Turn nozzle to CLEAN and coat the area, working from the ground upward. Allow to work for 10 minutes. 4. Turn nozzle to RINSE and rinse area well with water. If staining persists a second coat may be required. 5. Spray surrounding plants with water after use. 6. Turn to OFF for storage.

**{Option 3}**

Connect sprayer to garden hose with tab on top of sprayer in OFF position. Turn on water to hose. Select shower setting spray pattern. Turn tab to rinse and spray surrounding plants with water. Select spray pattern that works best with area you are cleaning. Turn tab to CLEAN and coat the area. Allow to work for 10 minutes. Move to new area and repeat. To rinse select spray pattern and turn tab to RINSE and rinse area well with water. Apply a second coat if required. When finished select shower pattern, turn tab to RINSE and spray surrounding plants with water. Turn to OFF for storage.

**{Refilling Directions for Use with Option 1, 2, or 3:}**

To refill [hose-end] [sprayer]: Remove hose end sprayer. Pour in [product] [from] [refill] and replace hose end [sprayer].

**{For Gallon E-Z House Wash (not Hose End):}**

Surface Preparation: Use formula at full strength for tough stains or dilute with 3 parts water, one part formula for typical stains and dirt. Apply with a garden sprayer, roller or sponge. Apply full strength with a garden sprayer. Do not use a high power pressure washer to apply.

Note to reviewer: All text in brackets [...] is optional and may or may not be included on a final label. All text in braces {...} is administrative and will not appear on a final label. Portions or all of the label may be bilingual.

To kill [and remove] mold [and mildew]: 1. Spray surrounding plants with water before and after use. 2. Start from the bottom and work upwards. Wait 10 minutes. 3. Rinse well with water. Heavy stains and textured surfaces may require light scrubbing and a second application.

To clean [and/or remove mold and mildew stains]: 1. Spray surrounding plants with water before and after use. 2. Start from the bottom and work upwards. [Wait [let stand] 5-10 minutes.] 3. Rinse well with water. Heavy stains and textured surfaces may require light scrubbing and a second application.

**{For House or Deck/Fence or Multi-Purpose Pressure Washer Version:}**

Follow pressure washer manufacturer's instructions for application & use of cleaning solutions.

To kill [and remove] mold [and mildew]:

1. Spray surrounding plants with water using a garden hose. 2. Add product to pressure washer detergent tank. Ensure tank is clean before filling with product. 3. Wash surface with cleaner using LOW pressure spray nozzle. Coat the area, working from the ground upward. 4. Allow to work for 10 minutes. 5. Rinse surface with water using HIGH pressure nozzle. 6. Spray surrounding plants with water [using a garden hose] after use. 7. Rinse detergent tank with water prior to storage.

**{For Gallon E-Z Deck & Fence Directions (not Hose End) :}**

This product will not remove pigmented wood stains or sealers.

To kill [and remove] mold [and mildew]: Apply full strength with a plastic garden sprayer. Wait [let stand] 10 minutes. Thoroughly rinse off surface and surrounding area.

To clean [and/or remove mold and mildew stains]: Apply full strength with a plastic garden sprayer. [Wait [let stand] 5-10 minutes]. Thoroughly rinse off surface and surrounding area.
