Do not reuse container. Destroy when empty. Bait should be placed in areas not accessible to children and pets. Use only for domestic animals. Do not tamper with bait boxes. Keep out of reach of children. Do not use in areas where children or pets are present. Do not use in areas where children or pets are present. Do not use in areas where children or pets are present.

**DIRECTIONS FOR USE:**

Place bait (see mixing instructions) in shallow containers in protected spots along walls or corners of buildings where rats and mice travel; feed **FOR RATS** - Use 1/2 cup or more bait per placement. The more rats you have the more placements you should use. **FOR MICE** - Place bait in more locations about 5 to 10 feet apart using tablespoon quantities. **IMPORTANT** The remarkable killing power of Rough on Rat A-C depends on its being consumed regularly in small doses. Therefore inspect bait placements daily and add bait as it is eaten. Keep bait placements filled until there is a complete lack of feeding. If bait becomes sour or moldy replace with fresh bait.

**MIXING DIRECTIONS**

Mixing directions for 4 oz. package of Rough on Rat A-C. Mix 4 oz. of bait with 1/2 cup of dry feed. For mice, mix 1/2 oz. of bait with 1/2 cup of dry feed. For rats, mix 1/2 cup of bait with 1/2 cup of dry feed. For mice, mix 1/2 oz. of bait with 1/2 cup of dry feed. For rats, mix 1/2 cup of bait with 1/2 cup of dry feed.
