EPA EST. NO. 4170-OH-1 EPA REG. NO. 4170-9

2043.

This DISINFECTANT is effective against a wide variety of gram-positive and gram-negative bacteria. This DISINFECTANT is also an excellent deodorant. Use it to control odors, especially those that are microbial in nature. This DISINFECTANT mixes readily with water and makes a clear, stable solution. In use dilution, it is noncorrosive and nonstaining to porcelain, enameled surfaces, glass, tile, plastics, and most common metals.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use in public rooms, restaurants, barber and beauty shops, and pet animal quarters for disinfecting floors, walls, tables, counter tops, and other porcelain, enamel, tile, plastic or vinyl surfaces or furnishings.

FOR DISINFECTION

1. Flush away surface soils with water where possible.
2. Clean with a solution of 5 ounces of DISINFECTANT per gallon of water.
3. Rinse with clear water.
4. Apply disinfecting solution so as to thoroughly wet all surfaces. For nonporous, easily cleaned areas, make a disinfecting solution of 5 ounces of DISINFECTANT per gallon of water. The disinfecting solution must contact the surface for 10 minutes for proper disinfection. Surfaces may be rinsed with clear water or wiped with a clean, damp cloth. For porous surfaces, areas difficult to clean, or contagious disease areas, make a disinfecting solution using 8 ounces of DISINFECTANT per gallon of water. Thoroughly rinse treated food contact surfaces before use.

FOR DEODORIZING

For garbage cans and similar refuse areas, use a solution of 16 ounces per gallon of water. Spray or wet all surfaces.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
WARNING

Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing. If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Store in original container only. Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
FOR 1 GALLON OR LESS: Do not reuse empty container (bottle, can, bucket). Wrap container and put in trash.

PRECAUCION

AL USARIO: Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente.
(TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)

This container is coded for recycling.
