**PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND
DOMESTIC ANIMALS**

WARNING

Keep out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

STORAGE AND DISPOSAL

Store in original container only. Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent). Then after for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This ready to use non-acid formulation is designed for general cleaning and disinfecting in nursing homes, hospitals, schools, institutions, offices, hotel and motels.

When used as directed, it will disinfect inanimate hard surfaces (such as wall-sink tops, tables, chairs, floors, toilets, urinals, shower stalls, door knob, light switches, hampers, cabinets and bed springs).

This cleaner also deodorizes those areas which are hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, restrooms and other areas which are prone to odors caused by microorganisms.

DISINFECTING, CLEANING, DEODORIZING

HARD NONPOROUS SURFACES SUCH AS BATHROOM TILES, FIXTURES, SHOWER STALLS, WALLS, SINKS, PATH TUBS, TOILETS AND URINALS

1. Apply full strength to area until it is covered with solution.
2. Allow product to remain wet for 10 minutes. No scrubbing necessary.
3. Wipe off with a clean cloth, mop or sponge and rinse thoroughly. This product will leave no grit or soap scum. For heavily soiled areas, remove gross soil before treatment.

MILDEWSTAT

To control mold and mildew on hard non-porous surfaces (such as floors, walls, table tops), spray the surfaces to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

***VIRUCIDAL PERFORMANCE**

This product was evaluated and found to be effective against Herpes Simplex Type 2 (the causative agent of the venereal disease type Herpes virus) on precleaned, hard, non-porous, inanimate environmental surfaces at a 10 minute contact time.
