

DIRECTIONS FOR USE

When used as directed, this disinfectant/deodorant demonstrates effective disinfection against Staphylococcus aureus, Salmonella choleraesuis, and Pseudomonas aeruginosa and Trichophyton mentagrophytes. This product is effective against Pathogenic Fungi (Athletes Foot Fungus)

Mold and Mildewstat—This disinfectant/deodorant prevents and controls mold and mildew and the odors they cause on hard non-porous surfaces when used as directed.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This disinfectant/deodorant has been designed specifically for hospitals, nursing homes, institutions, offices, schools, motels and hotels as a disinfectant, deodorant and air refresher. It is recommended for disinfecting telephones, bed springs, door knobs, linen carts, hampers, wheel chairs, light switches, garbage pails and other clean inanimate hard non-porous surfaces.

SURFACE DISINFECTION AND DEODORIZATION: (1) First remove soil deposits from surface to be treated. (2) Hold can six inches from surface and spray until completely wet, allowing the surface to remain wet for 10 minutes.

AIR DEODORIZER AND AIR REFRESHER: Point spray upwards to center of room and spray for three seconds.

MILDEWSTAT: To control mold and mildew on hard non-porous surfaces (such as floors, walls, table tops), spray the surfaces to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals

WARNING

Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Call a physician. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE. Do not use or store near fire, sparks, or heated surfaces. Turn off pilot lights in gas appliances and unplug or turn off electrical equipment in the use area. After airing out phase is completed, relight pilot lights and reconnect electrical current. Do not smoke in the use area. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Replace cap and discard container in trash.
