DANGER**
See back panel for additional
precautionary statements.
**FOR INDUSTRIAL AND
INSTITUTIONAL USE ONLY**

EPA EST. NO. 4170-0M1 EPA REG. NO. 4170-39

DESCRIPTION

This disinfectant cleaner is designed for Hospital, General Industrial, and Institutional use. It may be used to clean and disinfect toilet bowls, urinals, porcelain, sinks, bathtubs, shower tile, and ceramic tile floors. Broad spectrum activity cleans, deodorizes, and disinfects in one easy step.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DISINFECT TOILETS AND URINALS: Remove water from bowl by forcing it over the trap with a flush pump. Saturate bowl with disinfectant cleaner and wet all surfaces thoroughly. It is most important to scrub under rim of bowl or urinal to clean and disinfect water outlets. Allow disinfectant cleaner to remain for at least 10 minutes until all rust, scale, and stains are loosened. Flush by flushing.

TO CLEAN AND DISINFECT SINKS, BATHTUBS, SHOWER STALLS, DRINKING FOUNTAINS, AND CERAMIC TILE FLOORS: Dilute one part of this disinfectant cleaner with two parts water and apply to wet all surfaces thoroughly with scrub mop, sponge, brush, or cloth. Allow disinfectant cleaner to remain for at least 10 minutes.

FOR HEAVILY SOILED AREAS: A preliminary cleaning is required before disinfection can occur. At a dilution of one part disinfectant cleaner to two parts water, this product has shown broad spectrum activity against microorganisms commonly found in toilet bowls and urinals and has been evaluated in the presence of 5% serum and found to be effective against the following organisms by the AOAC Use-Dilution Test:

PSEUDOMONAS AERUGINOSA
SALMONELLA CHOLERAESUIS
STAPHYLOCOCCUS AUREUS

Kills HIV-1 on pre-cleaned environmental surfaces/objects previously soiled with blood/body fluids in health care settings (Hospitals, Nursing Homes) or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids, and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of human immunodeficiency virus Type 1 (HIV-1) (associated with AIDS). **SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 OF SURFACES/OBJECTS SOILED WITH BLOOD/BODY FLUIDS. PERSONAL PROTECTION:** When handling items soiled with blood or body fluids use disposable latex gloves, gowns, masks, or eye coverings. **CLEANING PROCEDURE:** Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of this product. **CONTACT TIME:** Allow surface to remain wet for 10 minutes. **DISPOSAL**

Manufactured By:

8724

OF INFECTIOUS MATERIALS: Blood and other body fluids should be acknowledged and disposed of according to local regulations for infectious waste disposal.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals DANGER

CORROSIVE: Keep out of reach of children. May be fatal or harmful if swallowed. Do not breathe vapors or fumes. Produces chemical burns. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Use on acid resistant surfaces only.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician immediately. Drink a teaspoonful or more of milk of magnesia or cup of soapy water followed with milk or raw egg whites. **EYE CONTACT:** Wash with water for 15 minutes. Get prompt medical attention. **SKIN CONTACT:** Wipe off acid gently. Flood surface with water using soap freely, then cover with moist magnesium or baking soda.

STORAGE AND DISPOSAL

Store in original container only. Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

PRECAUTION

AL USARIO: Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada completamente.
(TO THE USER: If you cannot read English, do not use the product until the label has been fully explained to you.)

This container is coded for recycling.
