DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Uniformly spray 3 - 3 3/4 gallons per 1,000 square feet of soil surface undiluted (130 - 160 gallons per acre). Thoroughly wet all foliage to insure contact action. Best results are obtained when applications are made during or after weed emergence while growth is succulent. Where vegetation is tall and dense, use 6 1/4 gallons per 1,000 square feet (270 gallons per acre).

Although this VEGETATION KILLER has considerable activity through foliar contact, much of its activity is through the roots, and therefore, adequate rainfall to move the chemical into the root zone is necessary.

Under conditions where the rainfall is high and the growing season long, a second application may be necessary to maintain a weed-free soil surface.

Care must be taken to keep this herbicide away from desirable flower beds, lawns, and shrubs. Do not apply over roots of valuable trees or woody ornamental plants. Only apply herbicide outside the dripline of trees. Avoid spray drift to desirable plants.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals **WARNING**

Causes eye irritation. Do not get in eyes. Avoid contact with skin or clothing. Harmful if swallowed, inhaled, or absorbed through the skin. Do not contaminate food or feed.

STATEMENT OF PRACTICAL TREATMENT: In case of eye contact, wash with water for at least 15 minutes and get medical attention. In case of skin contact, wash with plenty of soap and water. Get medical attention if eye or skin irritation persists. If ingested, do not induce vomiting. Drink milk, egg whites, or gelatin; if not available, drink plenty of water. If inhaled, remove victim to fresh air.

NOTE TO PHYSICIAN: There is no specific antidote; if ingested, do not induce emesis and take care to avoid aspiration of stomach contents during gastric lavage. Give a saline laxative and supportive therapy.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Keep out of any body of water. Do not contaminate water used for irrigation of domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS: Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Do not use or store near heat or open flame. Store in original container only. Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or by other procedures approved by state and local authorities.

PRECAUCION

AL USARIO: Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente. (TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)

This container is coded for recycling.
