HERBICIDE

35155-00

Vegetation Killer

For Bare Ground Weed Control Around: Guard Rails, Airports, Military Installations, Highway Medians, Pipelines, Railroads, Lumberyards, Rights-of-Way, Buildings, Storage Areas, Fences, Pumps, Machinery, Fuel Tanks, Drainage Ditch Banks, Roadways, or Similar Areas.

NET CONTENTS: 55 gallons

SCORCH PLUS RTU

KEEP OUT OF REACH OF CHILDREN.

WARNING ADVISORY

See label panel for additional precautionary statements.

FOR AGRICULTURAL AND COMMERCIAL USE.

CAUTION: For safety reasons, do not use this product in areas where children, pets, or livestock are present. Do not use this product in areas where it may be used on crops or plants. Do not use this product in areas where it may be used on crops or plants. Do not use this product in areas where it may be used on crops or plants.

EPA EST. NO. 4170-06-1 EPA REG. NO. 4170-56

ACTIVE INGREDIENTS:

Prometon, 2,4-bis (isopropylamino)-6-methoxy-s-triazine..... 1.5%

INERT INGREDIENTS..... 98.5%

TOTAL..... 100.0%

USE:**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Uniformly spray 3 - 3 3/4 gallons per 1,000 square feet of soil surface undiluted (130 - 160 gallons per acre). Thoroughly wet all foliage to insure contact action. Best results are obtained when applications are made during or after weed emergence while growth is succulent. Where vegetation is tall and dense, use 6 1/4 gallons per 1,000 square feet (270 gallons per acre).

Although this VEGETATION KILLER has considerable activity through foliar contact, much of its activity is through the roots, and therefore, adequate rainfall to move the chemical into the root zone is necessary.

Under conditions where the rainfall is high and the growing season long, a second application may be necessary to maintain a weed-free soil surface.

CARE MUST BE TAKEN TO KEEP THIS HERBICIDE AWAY FROM DESIRABLE FLOWER BEDS, LAWNS, AND SHRUBS. DO NOT APPLY OVER ROOTS OF VALUABLE TREES OR WOODY ORNAMENTAL PLANTS. ONLY APPLY HERBICIDE OUTSIDE THE DRIPLINE OF TREES. AVOID SPRAY DRIFT TO DESIRABLE PLANTS.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

WARNING

Causes substantial but temporary eye injury or skin irritation. Harmful if swallowed or absorbed through the skin. Do not get in eyes, skin, or on clothing. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID**IF IN EYES:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:

- Take off contaminated Clothing
- Rinse skin immediately with water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice

IF SWALLOWED:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.

IF INHALED:

- Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: There is no specific antidote; if ingested do not induce emesis and take care to avoid aspiration of stomach contents during gastric lavage. Give a saline laxative and supportive therapy.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water used for irrigation of domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Pesticide Storage: Do not use or store near heat or open flame. Store in original container only. Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or by other procedures approved by state and local authorities.
