UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

SEP - 5 2007

Candice Rushton
Betco Corp.
1001 Brown Ave.
Toledo, OH 43607-012731

Dear Ms. Rushton:

Subject: Labeling Amendment
Scorch Plus RTU
EPA Reg. No. 4170-56
Submission dated August 6, 2007

The labeling, referred to above, submitted in connection with the application under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided you make the following changes:

Your product is formulated in the liquid form.

1. Heading"

Add a statement on weight of prometon per gallon.

2. Add a section on 'Personal Protective Equipment,' and add the following requirements:

- Applicators and other handlers must wear chemical resistant gloves made of waterproof materials, long sleeved shirt and pants, protective eyewear, shoes and socks.
- Follow the manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

3. Under "Environmental Hazards";

Use the following statements:

"This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate."

4. Under "Directions for Use";

- Since the product is packaged in the liquid form, specify the volumetric equivalent of 0.23 lb. per 500 sq.ft..

2/4

Page 2
EPA Reg. No. 4170-54

Add the following statements:

- Do not enter or allow others to enter the treated area until sprays have dried.
- Do not allow people or pets to touch treated plants until the sprays have dried.
- Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

The amended label supersedes all previously accepted labels. A stamped copy of the revised label is enclosed for your records. Please submit one copy of your final printed labeling before you release the product for shipment.

Sincerely yours,

Jim Tompkins

EPA EST. NO 4170-OH-1

EPA REG. NO. 4170-56

ACCEPTED
with COMMENTS
in EPA Letter Dated

SEP - 5 2007

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

4170-56

3/4

USE:

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Uniformly spray soil surface undisturbed to distribute a total of 0.23 lbs/500 square feet, applied ONCE PER YEAR. Thoroughly wet all foliage to insure contact action. Best results are obtained when applications are made during or after weed emergence while growth is succulent.

Although this VEGETATION KILLER has considerable activity through foliar contact, much of its activity is through the roots, and therefore, adequate rainfall to move the chemical into the root zone is necessary.

CARE MUST BE TAKEN TO KEEP THIS HERBICIDE AWAY FROM DESIRABLE FLOWER BEDS, LAWNS, AND SHRUBS. DO NOT APPLY OVER ROOTS OF VALUABLE TREES OR WOODY ORNAMENTAL PLANTS. ONLY APPLY HERBICIDE OUTSIDE THE DRIPLINE OF TREES. AVOID SPRAY DRIFT TO DESIRABLE PLANTS.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

WARNING

Causes substantial but temporary eye injury or skin irritation. Harmful if swallowed or absorbed through the skin. Do not get in eyes, skin, or on clothing. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:

- Take off contaminated Clothing
- Rinse skin immediately with water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice

IF SWALLOWED:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.

IF INHALED:

- Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: There is no specific antidote; if ingested do not induce emesis and take care to avoid aspiration of stomach contents during gastric lavage. Give a saline laxative and supportive therapy.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water used for irrigation of domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Pesticide Storage: Do not use or store near heat or open flame. Store in original container only. Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or by other procedures approved by state and local authorities.
