White Corporation, Toledo, Ohio 43601  
Attention: William Taylor, P.O. Box 3127  
Toledo, Ohio 43601  
Reference is made to your letter dated December 9, 1989.

It is noted that you are to label, in accordance with the labeling regulations, 40 CFR 155.101, et al., of Roundup, an herbicide subject to the comments listed below. Five copies of the finished labeling must be submitted.

1. Contact name and address must appear on the label.
2. In the first paragraph of Directions for Use, replace the sentence, "On heavily soiled areas, remove gross food particles and soils by a preflush or prescrape and, when necessary, treat as treatment" with the sentence, "For heavily soiled areas, preliminary cleaning is required." (We're sorry, our letter dated 7/28/89 is in error; that sentence is not required since this product is not a food-contact pesticide.)
3. In the Directions for Use, in the paragraph for "Sanitizing Non-Food Contact Surfaces," delete the sentence, "Thorough washing of surfaces or objects with a detergent or compatible cleaner is required, followed by a potable water rinse before application of the sanitizing solution." (The comment in referenced in Comment #2 above applies here as well.)

4. In the Directions for Use, in the paragraph for "Fungistatic Activity," delete "~~Tricholium mentagrophytes~~" and add "Fungus: ~~Tricholium mentagrophytes~~"

**DESCRIPTION**

A "one-step" disinfectant-cleaning agent for water closets and urinals. Effective in water up to 400 ppm hardness. This product is for use in water closets at 4 oz. per gallon. Will not harm floors, walls, or low-iron builders' wire. For use in water closets and urinals.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
AND DOMESTIC ANIMALS**

**DANGER**

KEEP OUT OF REACH OF CHILDREN. May be harmful if swallowed. Produces chemical burns. Do not get in eyes, on skin, or on clothing. Causes irritation to eyes and skin. Wear goggles or safety glasses, and rubber gloves when handling. Wash thoroughly with soap and water after handling. Avoid breathing fumes and vapors.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Call a physician immediately. Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol and medical attention.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. **EYE CONTACT:** Wash with water for 15 minutes. Get prompt medical attention. **IF ON SKIN:** Wash thoroughly with water. If on face, wash with moist magnesia or baking soda. Get medical attention if irritation persists.

**STORAGE AND DISPOSAL**

Store in original container only. Do not contain, date water, food, or clothing. Dispose of properly. Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. For a disposal equivalent to this product for toxic, non-hazardous, inorganic and organic waste, see the following table.

EPA REG. NO. 4170 OH-1
