Subject: Sure Bet
EPA Registration Number 4170-68
Your Amendment Dated September 22, 19 4
Your Amendment Dated September 23, 1994
Your Letter Dated December 22, 1994

This is in response to your submission dated December 22, 1994 which supercedes your amendments of September 22nd and 23rd for the above product.

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended is acceptable provided that you make the following revisions before you release the product for shipment bearing the amended labeling.

1. Include the instructions regarding "Contact Time" and "Disposal of Infectious Material" within the Directions for Use Section on the right side panel.

A stamped copy is enclosed for your records. Submit five copies of the final printed label before you release the product for shipment bearing the amended label.

If you have any questions concerning this letter, please contact me at (703) 305-7964.

Sincerely,

Ruth Douglas
Product Manager (32)
Antimicrobial Program Branch
Registration Division (7505C)

CONTACT TIME: Allow surface to remain wet for 10 minutes.
DISPOSAL OF INFECTIOUS MATERIAL: Blood and other body fluids should be autoclaved and disposed of according to local regulations for infectious waste disposal.
***Virucidal Performance:** At a 1:20 dilution (0.4 ounces/gallon) use level, this formulation was evaluated in the presence of 5% blood serum and 400 ppm hard water and found to be effective against Herpes Simplex Type 2 on hard, nonporous, inanimate environmental surfaces.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
DANGER

CORROSIVE: Keep out of reach of children. May be fatal or harmful if swallowed. Produces chemical burns. Do not get in eyes, on skin, or on clothing. Causes irreversible eye and skin damage. Wear goggles or safety glasses and rubber gloves when handling. Wash thoroughly with soap and water after handling. Avoid breathing fumes and vapors.

STATEMENT OF PRACTICAL TREATMENT
IF SWALLOWED: Call a physician immediately. Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention. **EYE CONTACT:** Wash with water for 15 minutes. Get prompt medical attention. **SKIN CONTACT:** Wipe off acid gently. Flush surface with water using soap freely, then cover with moist magnesium or baking soda. Get medical attention if irritation persists. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Do not reuse empty container. Rinse container thoroughly and discard in trash.
