

**NOTICE OF PESTICIDE:**  REGISTRATION  
 REREISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In all correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been used by others.

2. Include the two subheadings:

Container Disposal

to the appropriate disposal section.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

e. The "red cross" symbol is not permitted on pesticide labels since:

- It is commonly recognized as a medical symbol.
- It implies endorsement by the medical profession.
- Federal law restricts its use to only certain establishments e.g. American Red Cross.

3. If these conditions are not complied with, the registration will be subject to cancellation in accordance with PIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

### DESCRIPTION

Glybet II is a hard surface disinfectant and space deodorant. It is effective against *Pseudomonas aeruginosa*, *Salmonella choleraesuis*, *Staphylococcus aureus*, and other odor-causing bacteria on inanimate environmental surfaces such as toilet seats, telephones, wash basins, metal beds and springs, trash containers, carts, hampers, lockers, door knobs, and tile. As a space spray it is effective in deodorizing locker rooms, meeting rooms, bathrooms and shower rooms, classrooms, closets, laundry chutes, and sick rooms. For use in schools, office buildings, hospitals, nursing homes, hotels, motels, colleges and in the household. Glybet II is an effective mildewstat on precleaned hard non-porous environmental surfaces.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Avoid contamination of food, water or animal feed. Wash contaminated clothing before reuse.

**STATEMENT OF PRACTICAL TREATMENT**  
**EYE CONTACT:** Flush with plenty of water for at least 15 minutes. Call a physician immediately. **SKIN CONTACT:** Rinse with plenty of water for at least 15 minutes.

### STORAGE AND DISPOSAL

This product must be kept under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

# Glybet II

## Disinfectant/Deodorant

EPA REG. NO. 4170-

### DIRECTION

is a violation of Federal Law in a manner inconsistent with the Act or infirmed people in the room before spraying.

**FOR DISINFECTING:** Remove soil deposits. Pre-clean all floor. Hold sprayer about 6 inches and spray until surfaces are wet. Contact time of 10 minutes. Not air dry or to be dry.

**TO DEODORIZE:** Use as a space spray towards toward center of the room. Trigger strokes will depend on the odor present and severity of the odor present.

**MILDEWSTATIC:** This product inhibits the growth of mold and mildew by them when applied to porous inanimate environmental floors and walls. Apply by wet. Let air dry. Repeat application if growth reappears.
