Antimicrobials Division (7510W)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
4170-84

Date of Issuance:
SEP 15 1998

Term of Issuance:
Conditional

Name of Pesticide Product:

NOTICE OF PESTICIDE:
 Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Ms. Candice Rushton
Regulatory Affairs Specialist
Betco Corporation
1001 Brown Avenue
Teledo, OH 43607

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 4170-84".
- b. Submit five copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records. If you have any questions, please contact Nader Elkassabany at (703) 308-8783.

USE:

WHERE TO USE:

Recommended for use on all types of resilient tile (vinyl composition, vinyl, linoleum) and properly sealed hard surfaces (concrete, marble, terrazzo, quarry).

DIRECTIONS FOR USE:

Read the entire label before using this product.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **INITIAL APPLICATION:** Completely remove old finish following instructions on stripper label. Apply 4 - 5 coats of finish in thin, uniform coats using a clean, synthetic mop. Allow to dry thoroughly between coats, usually 20 to 30 minutes. **NOTE:** If tile is old, worn, or porous, initially applying 1 - 2 coats of a sealer/base coat will enhance gloss and long term performance.

ROUTINE MAINTENANCE: Sweep large debris and dust mop (using water-based dust mop treatment). Damp mop or autoscrub using a neutral pH cleaner or disinfectant. High-speed buff, or burnish as desired. Use of restorer will prolong the time between scrub and recoat cycles.

SCRUB AND RECOAT: Sweep large debris and dust mop (using a water-based dust mop treatment). Deep scrub using a heavy-duty cleaner to remove ground in dirt and discoloration. Rinse thoroughly with clear water and allow to dry. Apply 1 - 2 coats of finish in thin, uniform coats using a clean, synthetic mop.

CAUTION

STATEMENT OF PRACTICAL TREATMENT

Avoid contact with skin and eyes. **FIRST AID: SKIN:** Flush with water for 15 minutes. Seek medical attention if irritation persists. **EYES:** Flush with water for 15 minutes. Seek medical attention if irritation persists. **IF SWALLOWED:** Dilute with two glasses of water.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

CONTAINER DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incinerate, if allowed by state and local authorities, burn. If burned stay out of smoke.

STORAGE

Store in a tightly closed container in a cool dry area.
