OFFICE OF  
PREVENTION, PESTICIDES AND  
TOXIC SUBSTANCES

Ms. Candice Rushton  
Regulatory Affairs Manager for,  
Becto Corporation  
1001 Brown Ave.  
Toledo, Ohio 43607-0127

Subject: OxyFect Peroxide Bathroom Cleaner Disinfectant  
EPA Registration Number 4170-100  
Your Amendment Dated September 18<sup>th</sup>, 2008  
EPA Received Date September 18<sup>th</sup>, 2008

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, to add additional efficacy claims, and to revise other claims on the product labeling, is acceptable.

At the end of this amendment process, the company has chosen to significantly change the previously approved label claims, and not to add new claims that new data now below support. This product is now a gram positive limited disinfectant for non-hospital/non-institutional use.

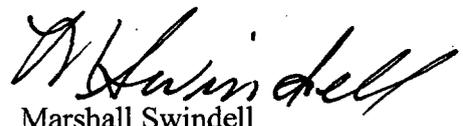

Make the following label changes

1. Immediately below the product name add the following descriptor "This Is A Gram Positive Limited Disinfectant Only"
2. Delete the terms "Institutional Use" on the front panel of the label. This product is not cleared for use in hospitals and medical institutions.
3. Since the signal word for your product is DANGER, the First Aid statement must be on the front panel of the label. At the end of the "See side panel . . ." statement delete the wording " and first aid".
4. On page 2 change "can be used as a disinfectant" to "can be used as a limited disinfectant".
5. On page 2 delete "Institutional Facilities", "Institutions", and "Foo Spas".
6. On page 2 change "Counters (Countertops)" to Nonfood contact Counters (Countertops)".
7. On page 3 change "Whirlpool baths" to "Whirlpool bath surfaces".

A copy of the stamped product label is enclosed for your records.

If you have any questions concerning this letter please contact Karen M. Leavy-Munk at (703)308-6237.

Sincerely yours,

Marshall Swindell  
Product Manager 33

**Disinfectant** At a dilution of 2 oz per gallon of water (1:64), 200 ppm hard water in the presence of 5% organic soil load this product is a limited disinfectant effective against gram positive bacteria only.

**This product has demonstrated efficacy against (kills)**

- Enterococcus faecalis* Vancomycin Resistant (VRE) (ATCC 51575)
- Community Acquired Methicillin Resistant Staphylococcus aureus –(CA-MRSA) (NARSA NRS123)(USA 400)
- Staphylococcus aureus (ATCC 6538),
- Staphylococcus aureus Methicillin Resistant (MRSA)(ATCC 33592)

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is not for use in residential settings.

**This product contains hydrogen peroxide. This product must not be mixed or stored with products containing ammonia, bleach, or other oxidizing agents.**

**Contact with metals, metal ions, wood dust, or wood shavings may cause product decomposition.**

**CLEANING/ DEODORIZING DIRECTIONS:** For Cleaning and deodorizing, dilute 2 oz. of concentrate per gallon of water. Cleaning may be accomplished with a clean mop, sponge, squeegee, wet vacuum system or a trigger spraying device. Spray 6-8 inches from the surface to be treated, thoroughly wetting the surface. After cleaning, remove suspended soils with a clear water rinse, vacuum pick up, or by wiping with a clean mop, sponge, squeegee, or cloth or allow to air dry. Do not breathe spray. Prepare a fresh solution for each use, sooner if the use solution has become visibly diluted or soiled.

**TOILET BOWLS/ URINALS:**

Swab bowl with brush to remove heavy soil prior to cleaning or disinfecting. Clean by applying use-solution around the bowl and up under the rim. Stubborn stains may require brushing. To disinfect, first remove or expel over the inner trap the residual bowl water. Pour in 2 oz. of the use-solution. Swab the bowl completely using a scrub brush or mop, making sure to get under rim. Let stand for 10 minutes. Rinse by flushing.

**GLASS CLEANING:** Dilute 1 oz. of product per gallon of water. Spray onto glass surface. Use through a coarse hand pump trigger sprayer device. Do not breathe spray. Wipe dry with an absorbent cloth or towel.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER:** Corrosive. Causes irreversible eye damage. Causes skin burns. Harmful if swallowed or inhaled. Do not get in eyes, on skin or on clothing. Wear eye protection (goggles, safety glasses with side shields, or faceshield). Wear coveralls worn over long-sleeved shirt and long pants, chemical resistant gloves, socks, and chemical resistant footwear. Avoid contamination of food. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing, and wash clothing before reuse.

**PHYSICAL OR CHEMICAL HAZARDS:**

This product is an oxidizer. Do not store near heat, flame, or in direct sunlight. Avoid storage at elevated temperatures. Do not store near wood shavings, dust or similar combustible materials.

**STORAGE AND DISPOSAL**

*<For Containers 1 gallon or less, use the following statement>*

Keep product under locked storage, inaccessible to children. Do not reuse empty container. Wrap empty container and discard in trash or recycle.

This container is non refillable container

*<For Containers Larger than 1 Gallon, use the following statements >*

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Do not reuse empty container.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:  
(Plastic Containers)**

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

This container is a non refillable container
