USDA Reg. No. 4185-112

DIRECTIONS

This product is ready for use - do not dilute.

Charge back rubber roll by soaking with solution until it is thoroughly wet, but not dripping. Repeat charging as necessary, usually at two week intervals. This regular exposure throughout the season will give good control of horn flies and aid in reducing lice.

PRECAUTIONS IN USING

Do not breathe vapors or get in eyes, on skin or on clothing. Wash thoroughly after using. Avoid storage near feed and food products. Do not use or store near heat or open flame.

NO USE ON DAIRY ANIMALS OR SWINE.

To protect fish and wildlife, do not contaminate lakes, streams and ponds.

WARNING

May be fatal if swallowed. Keep away from children and domestic animals. Do not use this product on crops or foodstuffs. Do not use on beef cattle within four weeks of slaughter.

Rinse equipment and containers and dispose of wastes by burying in new crop land, away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning (Keep out of reach).

NOTICE OF WARRANTY: The Borden Chemical Company, Smith-Douglass Division, warrants only that the contents of the container correspond to the analysis printed on the container, label or tag. THERE IS NO WARRANTY OF MERCHANTABILITY AND THERE ARE NO WARRANTIES THAT EXTEND BEYOND SUCH ANALYSIS. Buyer assumes all risks of use, storage or handling, whether in accordance with directions or not.
