DIRECTIONS

For the control of Leaf Spot. Make one application at the rate of 15 pounds per acre to supply 1.5 pound of Boron per acre. If additional material is needed, apply Smith Downless Copper Sulfur Dust without boron as additional boron may injure the crop. Dust only when the foliage is dry.

NOTICE OF WARRANTY: The Borden Chemical Company, Smith Downless Division, warrants only that the contents of the container correspond to the analysis printed on the container, label, or tag. THERE IS NO WARRANTY OF MERCHANTABILITY AND THERE ARE NO WARRANTIES THAT EXTEND BEYOND SUCH ANALYSIS. Buyer assumes all risks of use, storage, or handling, whether or not in accordance with directions printed on the container.

CAUTION

Harmful if swallowed. Do not breathe dust. Avoid contact with skin or clothing. Avoid contact with eyes. Do not apply when conditions favor drift from the spray application. This product is poisonous to fish. Keep out of reach of children and pets.

Dispose of waste material in accordance with local, state, or federal regulations. Do not use in waterways. Do not use in areas where it may be harmful to fish or wildlife.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN
