

DANGER—POISON—PRECAUTIONS 

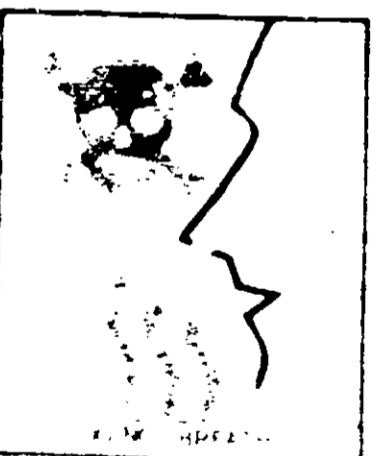

CAN KILL YOU IF SWALLOWED

This product can kill you if swallowed even in small amounts. Spray mist or dust may be fatal if swallowed.

CAN KILL YOU BY SKIN CONTACT

This product can kill you if touched by hands or clothes or splashed on skin, in eyes or on clothing and goes through clothes.

CAN KILL YOU IF BREATHED

This product can kill you if vapors, spray mist or dust are breathed.

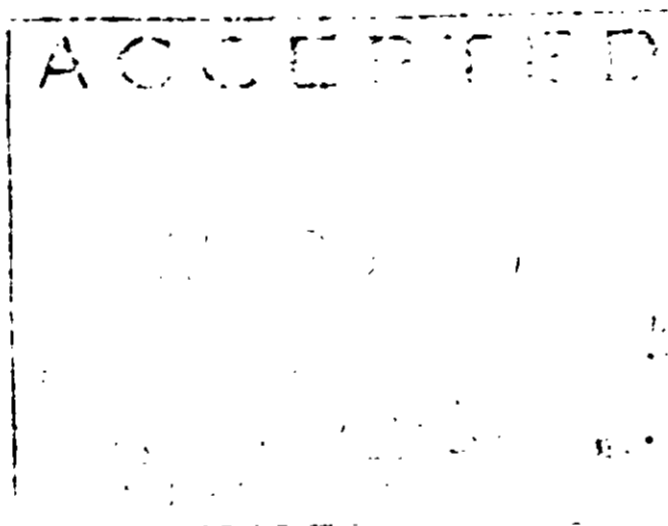

POISONOUS TO FISH AND WILDLIFE

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of ponds or water. Do not apply when weather conditions favor drift from treated areas. Do not apply where drift is likely to occur.
