

Label copy
NUTRO WEED BOMB (aerosol)
Size: 1 LB 3 oz.

Directions for Use:

Apply: Avoid over spraying surrounding grasses, as over spraying may cause brown spots to appear. Avoid spraying on nearby flowers and other desirable plants. Avoid spray drift to susceptible plants. Do not use on newly seeded lawns.

Precautions:

Caution:
Avoid contact with skin, eyes and clothing. Wash hands after use. Certain grasses, such as Bermuda grass, St. Augustine, Dichondra, Carpetgrass, or clover lawns are sensitive to herbicides and may be injured by use of this product. Do not store near fertilizers, seeds, insecticides or fungicides. Flammable - Do not use or store near heat or open flame.

Warnings:
Contains under pressure. Do not puncture. Exposure to high temperature may cause bursting. Keep at room temperature - away from direct sunlight, radiators, stoves, hot water and other heat. Never throw container into fire or incinerator.
