

TUB & TILE CLEANER

DIRECTIONS

Shake well before use and spray on, holding can approximately 8 inches from surface and cover area with a light coat of fine foam to penetrate dirt and residue. Rub with wet cloth or sponge. No need to wipe dry. Remove heavy soil deposits prior to application. Rinse food contact surfaces with water before reuse.

Use as directed to control mold and mildew growth and remove their stains. Use on shower curtains, shower stalls, finished surfaces in laundry room, basement, boats and car interiors and other damp areas. Reapply as new growth appears.

Use as directed to cut bathroom dirt, dissolve bathtub ring, remove soap film, shine chrome without polishing.

Recommended for bathtubs, basins, painted woodwork, baked enamel, porcelain and ceramic, plastic counters, vinyl upholstery, shower stalls, auto interiors and similar washable surfaces. Leaves no residue.

Can be sprayed in any position, even upside down.

WARNING: Contents under pressure. Do not puncture or mutilate container. Do not expose to heat or store above 120 F. Do not spray in face or eyes. In case of contact with eyes, flood with water. Avoid spraying on food.

ACTIVE INGREDIENTS: n-Alkyl (60% C14, 30% C16, 5% C18), Benzyl Ammonium Chlorides 0.140, n-Alkyl (78% C12, 52% C14), Dimethyl Ethylbenzyl Ammonium Chlorides 0.190, Tetrasodium Ethylenediamine Tetraacetate 1.444, Sodium Metasilicate Pentahydrate 0.106.

INERT INGREDIENTS: 98.075
