BACK PANEL (9.37 sq. inches)

SHAKE WELL BEFORE USING.

DIRECTIONS:

Simply squeeze bottle and direct applicator next to edges of walks, driveways and cement cracks. Hard to kill weeds and grasses may require repeat treatment. Do not use in areas where feeder roots pass from plants you want to remain healthy. Use only where complete control of plant life is desired as Border-line may remain effective one full year or longer.

Because of varied conditions affecting use and application, location, weather, soil composition and types of vegetation the manufacturer and seller make no warranty expressed or implied and accept no responsibility for the use of Border-Line.
