	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT MULCHOMER BORACICUM POWER CELLS	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

16428 160
8 17

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. For the purpose of EPA registration no. 1400-1, to your satisfaction you release the product for shipment.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

3. These conditions are not applicable with this registration. Your release for shipment of the product constitutes acceptance of the conditions of registration.

A stamped copy of the label has been enclosed for your records.

SULFODENE[®]
SCRATCHEX[®]

power sprayTM

KILLS FLEAS & TICKS ON DOGS & CATS...FAST!

SULFODENE[®] SCRATCHEX[®] power sprayTM is formulated to deliver even more flea killing power than a dip...with the convenience and quiet of a pump spray. No other leading brand gives you the high concentration of the natural insecticide, Pyrethrins, found in SCRATCHEX power spray. Safe for dogs and cats. Residual action helps prevent reinfestation.

DIRECTIONS FOR USE

It is a violation of FEDERAL LAW to use this product in a manner inconsistent with its labeling. Hold bottle upright with sprayer about ten inches from animal and pump. Sprayer works best with forceful pumping action. Apply evenly to coat making sure entire pet's body is covered. Rub hand against the lay of long hair, spraying into the ruffled area directly behind the hand. Around ears or in facial area, apply by pumping spray onto clean fabric and rubbing animal gently with the saturated fabric. If ticks are present, spray individually. Repeat weekly or as directed by veterinarian to prevent reinfestation. Use on pet's sleeping area or bedding, walls, floor, carpet to control reinfestation. Avoid contact of product with eyes or mouth of animal.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists. Do not use on kittens (cats under 4 weeks old).

DISPOSAL & STORAGE

STORAGE: Store in a cool dry place.

DISPOSAL: Do not reuse empty container. Rinse thoroughly before discarding in trash. Securely wrap original container in several layers of newspaper and discard in trash.
