Ms. Wendy M. Mendelsohn
 Consultant in Charge
 Hazardous Waste Management Division
 13873 Park Center Road
 Herndon, VA 22061

Dear Ms. Connolly:

Subject: Sulodene (Dorichex) Powder Spray
 EPA Registration No. 4306-9
 Compliance Label dated December 14, 1987

The labeling amendments referred to above, submitted in connection with registration under section 3(a)(1)(A) of the Federal Insecticide, Fungicide, and Plant Repellent Act, as amended, is acceptable subject to the following comments:

1. Per Ms. Mendelsohn's communication with you on June 22, 1989, and your FAX of June 26, 1989, this product will no longer be sold in the United States. The enclosed stamped approved label is the only label to be used for this product.
2. You must submit a revised Confidential Statement of Formula filled out according to the enclosed guide.
3. Delete the word "natural."
4. Delete the statement "Residual action helps prevent reinfestation."
5. Add the statement "Wash hands thoroughly with soap and water after use." after the statement "Around ears or in facial . . . saturated fabric."
6. Delete the phrase "to prevent reinfestation" from the statement "Repeat weekly or as directed by a veterinarian to prevent reinfestation."
7. Replace the storage statement with "Store in a cool, dry area inaccessible to children."

8. Add the disposal statement to read as follows:

Do not reuse empty container. Rinse thoroughly before discarding in trash. Securely wrap original container and used fabric in several layers of newspaper and discard in trash.

A striped copy of the label is enclosed for your records. Make the required changes to the label and submit five (5) final printed labels.

Sincerely yours,

Phil Hutton
Product Manager (17)
