1107 17th St. NW, Suite 500
Washington D.C. 20036

Dear Dr. Stewart:

Subject: Revised labeling
Sulfodene Scratchex Powder Dust
EPA Reg. No. 4306-10
Your submission dated September 4, 1990

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. This label acceptance is a follow-up to your revised confidential statement of formula dated 3/27/91 in which you deleted silica gel from the list of active ingredients.

A stamped copy of the label is enclosed for your record. Submit five (5) copies of your final printed labeling before you release the product for shipment bearing the amended labeling.

Sincerely yours,

DNE

Dennis M. Edwards, Jr.

Silver SCRATCHER power dust

ATTENTION: READ INSTRUCTIONS CAREFULLY

The Silver SCRATCHER power dust is a powerful cleaning agent for all types of surfaces. It is safe for use on all types of surfaces and is highly effective in removing dirt, grease, and grime. It is also safe for use on delicate surfaces and is highly effective in removing stubborn stains.

HOW TO USE:

1. Apply a liberal amount of Silver SCRATCHER power dust to the surface to be cleaned.

2. Rub the dust into the surface with a soft cloth or sponge.

3. Rinse the surface with clean water.

4. Dry the surface with a clean, dry cloth.

CAUTION:

Do not use Silver SCRATCHER power dust on surfaces that are already damaged or peeling. Do not use on surfaces that are made of wood, stone, or metal. Do not use on surfaces that are painted or varnished. Do not use on surfaces that are made of plastic or rubber.
