Rodenticide Act, as amended, for the
purpose of registration.
Reg. No. 426-11

**Sulfodene®
SCRATCHEX®**

**FLEA & TICK SPRAY for dogs and cats
KEEPS ON KILLING FLEAS & TICKS**

**Kills ticks
that may spread Lyme Disease**

Sulfodene® Scratchex® Flea and Tick Spray has been scientifically formulated to both kill fleas and to keep working up to 14 days on dogs to prevent reinfestation. Repellent action keeps fleas and ticks off your pet. Can be used on both dogs and cats. It can also be used on pet's bedding, furniture and carpets.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake the container well before using. Hold the container upright during use. Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Repeat as needed. Use in pet's sleeping area or on bedding, walls, furniture, floors and carpeting to control reinfestation.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens under 3 months of age. Avoid contact with the skin or clothing. Do not use on old, sick, or debilitated pets.

STATEMENT OF PRACTICAL TREATMENT

If swallowed: Call a Physician or Poison Control Center.
If in eyes: Flush with plenty of water. Get medical attention if irritation persists.
If on skin: Wash with soap and warm water. Get medical attention if irritation persists.
If inhaled: Remove victim to fresh air and call a physician if effects occur.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not incinerate container. Exposure to temperature above 130°F may cause bursting.

STORAGE AND DISPOSAL

Storage: Store in cool area away from heat and open flame.
Disposal: Do not reuse empty container. Wrap original container in several layers of newspapers and discard in trash.
