July 23, 1987

TERM OF ISSUANCE

Until reregistration

NAME OF PESTICIDE PRODUCT

Scratchex Flea and Tick Spray

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Combe, Inc.
1101 Westchester Avenue
White Plains, NY 10604

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 4306-13" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

SCRATCHEX

FLEA & TICK SPRAY for dogs & cats
KILLS FLEAS, TICKS, LICE ... FAST!

Sulfodene Scratchex Flea and Tick Spray has been scientifically formulated to kill the fleas whose biting not only causes your pet to scratch and bite, but can even lead to an allergic reaction. Repels mosquitos, flies, gnats, too, but should not be used exclusively as a repellent.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Hold can upright about ten inches from animal with nozzle pointing toward animal. Start spraying at tail, moving spray rapidly and making sure entire pet's body is covered. Rub hand against the lay of long hair, spraying into the ruffled area directly behind the hand. If ticks are present, spray individually. Repeat weekly or as directed by veterinarian. Use in pet's sleeping area or on bedding, walls and floor to control reinfestation. Do not treat or cause exposure to kittens or puppies under four weeks of age. Do not use on pregnant dogs or cats.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN AND DOMESTIC ANIMALS

Caution. Harmful if swallowed. Avoid contact with skin or inhalation of spray mist. Wash thoroughly after handling. Do not spray in pet's eyes, face, genital areas or open wounds.

Statement of Practical Treatment

If on skin: Wash thoroughly with soap and water.
If in eyes: Flush with plenty of water.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

STORAGE AND DISPOSAL

Replace cap and discard containers in trash. Do not incinerate or puncture.
