PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Do not open protective pouch until ready to use. This collar is intended for use as an insecticide generator and is not to be taken internally by man or animals. Not intended for use by humans. Do not allow children to play with this collar. Wash hands with soap and water after handling collar. Do not use on sick or debilitated animals or cats under 12 weeks of age.

Do not use other cholinesterase inhibiting insecticides on your animal while wearing collar. Some cats may be sensitive to this collar. Remove at first sign of irritation or adverse reaction (muscular tremor, salivation, vomiting and/or diarrhea).

The insecticide in this collar is a cholinesterase inhibitor.

NOTE to Physician/Veterinarian: Atropine only by injection is antidote. Use only if symptoms of cholinesterase inhibition are present.

ACTIVE INGREDIENTS: Chlorpyrifos (0.0 diethyl 0 (3,5,6 trichloro 2 pyridyl) phosphorothioate) 3.0%
INERT INGREDIENTS: 97.0%
100.0%

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Sulfodene[®] **SCRATCHEX[®]** Flea & Tick Collar for Cats contains Longban[®] insecticide, one of the longest lasting flea and tick killers available for use on cats. This collar will reach its maximum effectiveness within 2 to 3 days after placing it on the cat and will continue to protect your cat against fleas for 11 months and ticks for 6 months. Ticks are only occasional and usually temporary pests of cats. Place the collar around cat's neck, buckle and adjust for proper fit. Cut off close to the buckle and dispose of excess length. The collar must be worn loosely so that two fingers may be placed between collar and cat's neck. If collar is worn too tightly it may produce neck irritation. Fleas and ticks present in the cat's environment that may reappear on your pet will be killed by action of this collar. Collar's effectiveness is not diminished by normal wetting such as rainfall. Use only one collar on an animal at a time.

STORAGE

Store in original unopened container away from children.

DISPOSAL

Do not reuse empty box, pouch or collar. Wrap in newspaper and put in trash collection.

*See top panel of box for details of unconditional guarantee.
