

This is a powerful acid cleaner which will produce dramatic cleaning results. Use only in vitreous toilet bowls and urinals. Removes scale, rust and other soils. Use with extreme care.

QUICK CLEANING: Pour cleaner on plastic bowl mop, wipe all surfaces including under rim. Flush fixture. **THOROUGH CLEANING AND DISINFECTING:** Force water from bowl through trap, using mop or force cup. Pour 4 ounces of cleaner in water, mop all surfaces, allow to stand at least five minutes. Flush.

Dilute with 3 parts water to clean tile grout. Rinse immediately.

Avoid applying cleaner to any plated fixtures or painted surfaces.
