Coronado Lemony-Lime Disinfectant may be used wherever a pleasant-odored disinfectant is needed to destroy many dangerous bacteria, and where long-lasting bacteriostatic effectiveness is needed to inhibit the growth of odor-producing organisms on treated, unrinsed, non-food contact surfaces. Kills Pseudomonas aeruginosa in clinics and hospitals.

WARNING: Causes severe eye irritation. In case of contact, flush thoroughly with water. If irritation occurs, call a physician. Harmful if swallowed. Avoid contamination of feed or foodstuff. Rinse empty container thoroughly with water and discard it.

This product is toxic to fish. Do not discharge treated effluent into lakes, ponds, or streams.
