WEED-GO

WITH DRIFT CONTROL

Active Ingredients: Petroleum oil	94.94%
2, 4-Dichlorophenoxyacetic acid, isooctyl ester*	1.09%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	0.98%
Pentachlorophenol	0.80%
Other chlorophenols	0.09%
Inert Ingredients:	2.10%
*2, 4-Dichlorophenoxyacetic acid equivalent	0.70%

WARNING Keep Out of Reach of Children. Harmful if
 swallowed. Causes skin irritation.
 See left panel for additional precaution.

IMPORTANT: Do not apply directly to, or otherwise permit weed
 killer with drift control to contact susceptible plants as this
 product may injure cotton, beans, peas, grapes, flowers, fruit trees,
 ornamentals, or other desirable plants. Avoid spray drift to such
 susceptible plants (coarse sprays are less likely to drift). Vapors
 from this product may injure susceptible plants in the immediate
 vicinity. Do not apply to areas underlaid by roots of desirable trees
 and shrubs. Thoroughly clean spray equipment with a suitable
 chemical cleaner before using for other purposes (or do not use
 same equipment for other purposes). Do not store near fertilizers,
 seeds, insecticides or fungicides. Do not reuse empty container.
 Return container to reconditioner or destroy by perforating or
 crushing and burying in a safe place away from water supplies.

Weed killer with drift control is toxic to fish and wildlife. Birds
 and other wildlife in treated areas may be killed. Keep out of
 lakes, streams, or ponds. Do not apply where runoff is likely to
 occur. Do not apply when weather conditions favor drift from
 areas treated. Do not contaminate water by cleaning of equipment
 or disposal of wastes. Do not contaminate water used for irriga-
 tion or domestic purposes. Apply this product only as specified on
 this label.

WEED-GO

WITH DRIFT CONTROL

ACCEPTED

MAY 1975

EPA Reg. No. 4313-47

Active Ingredients:	Petroleum oil	94.94%
	2, 4-Dichlorophenoxyacetic acid, isooctyl ester*	1.09%
	Bromacil (5-bromo-3-sec-butyl-6-methyluracil)	0.98%
	Pentachlorophenol	0.80%
	Other chlorophenols	0.09%
Inert Ingredients:		2.10%
	*2, 4-Dichlorophenoxyacetic acid equivalent	0.70%

WARNING Keep Out of Reach of Children. Harmful if swallowed. Causes skin irritation. See right panel for additional precaution.

Control most weeds and grasses for extended periods of time on non-crop areas. After the most predominant weeds have emerged, apply 1 to 4 gallons of weed killer with drift control per 1000 square feet around industrial plant sites, parking lots, loading ramps and railroad sidings, storage buildings, and similar non-crop areas. Agitation of solution is not required. Use standard spray equipment to cover extensive areas; small areas may be treated with a tank-type hand sprayer or a sprinkling can.

NOTE: Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of weed killer with drift control in their particular area.

WARNING: Keep out of the reach of children. Harmful if swallowed. Causes skin irritation. Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling. In case of contact, flush with large amounts of water; for eyes, get medical attention. Remove and wash contaminated clothing before reuse.
