Subject: Chlorinated Wash Sanitizer

EPA Registration No. 4313-48

Your amendment dated April 20, 1988 EPA received dated October 3, 1988

This is in response to the above subject matter. The laheling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below. Five (5) copies of the finished labeling must be submitted.

- Rephrase the If Swallowed section under the Statement of Practical Treatment (Pirst Aid) to read "If Swallowed, drink large quantities, of water."
- 2. The signal word "Warning" should be placed above the Precautionary Statement and below the phrase "Keep Out of Reach of Children."

Should you have any further questions, please contact Veronica Dutch at (703)-557-6938.

Sincerely yours,

Jeff Kempter Product Manager (32) Antimicrobial Program Branch Registration Division (H7505C)

DIRECTIONS FOR USE

It is a violation of Federal lawto use this product in a manner inconsistent with its labeling. This Wash Sanitizer is recommended for third sink sanitizing for dishes, glasses, kitchen utensils, food processing equipment and útensils including dairy and brewery equipment and utensils.

FOR DISHES, GLASSES, FOOD PROCESSING EQUIPMENT AND UTENSILS: Dissolve 1 oz. of the Wash Sanitizer per 10 gail of warm1(125°F) water to provide 100 ppm of available chlorine. Prior to sanitizing items remove gross food particles and soil by a preflush, or pre-scrape and, when necessary pre-sook treatment. Items require thorough washing of surfaces with a detergent or compatible cleaner, followed by a potable water rinse before application of the sanitizing solution. Dip the items to be sanitized in solution and hold for 2 to 3 minutes; remove and air dry. No potable water rinse is required. The items are then ready for use.

THE SANITIZING SOLUTION SHOULD BE USED PROMPTLY AFTER MIXING. Prepare a fresh sanitizing solution at least daily or more often if the solution becomes solled or diluted. Do not re-use solution for sanitizing mechanical operations.
