**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Registration Division (H7505C)

Enclosure

2/14

This product is a one-step cleaner-disinfectant designed for daily use on all bathroom surfaces. It can be used to clean and disinfect whirlpool equipment. A clear, blue, viscous liquid, it has a distinctive, fresh fragrance and is used undiluted. It is non-fuming, contains no acids or abrasives, and will not harm glazed porcelain, plastic, fiberglass, glazed ceramic tile, marble, Formica or glass. It will not discolor metal plated surfaces or damage soft metal fittings such as brass or copper.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To clean and disinfect tubs, sinks, tile, shower doors, vanity tops: Remove gross filth and heavy soil; apply with a damp mop or sponge; allow to remain for 10 minutes; rub clean and rinse.

On toilet bowls and urinals: Agitate surface with wetted toilet mop to remove gross filth. Force water from bowl through trap, using mop or force cup. Use flip top cap and squirt under rim of bowl and around top of urinal. Cleaner will slowly run down sides of fixtures coating the entire surface. Let stand 10 minutes; then swab or mop clean and flush.
