Mr. Robert H. Martin
Aerosol Director
Carroll Company
2900 West Kingsley Road
Garland, TX 75041

Dear Mr. Martin:

Subject: Additional Container Size and Product
Chemistry Information
CARROSOL Total Release Insect Fogger
EPA Registration No. 4313-79
Your Submissions Dated May 5 and October 20, 1988

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you make the labeling change and/or submit the information listed below before you release the product for shipment bearing the amended labeling:

- In the Physical or Chemical Hazard section, add the word "Extremely" before Flammable, or submit the actual data.

Submit five (5) copies of your final printed labeling before you release this product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use this product in or on electrical equipment due to the possibility of shock hazard. Cover exposed food, dishes and food-handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 6,000 cubic feet of unobstructed area. Use additional units for remote rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before re-entry.

TO OPERATE VALVE: To lock valve in open position for automatic discharge, press valve button all the way down, hooking the catch. Then, place fogger on stand or table in the center of the room with valve locked open, placing several layers of newspaper or pad under fogger. Leave building at once and keep building closed for four hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

STORAGE AND DISPOSAL

STORAGE: do not store in direct sunlight. Store at temperatures below 120°F.

CONTAINER DISPOSAL: Do not reuse empty container. Replace cap, wrap in paper and discard containers in trash. Do not incinerate or puncture.
