**MAY 04 1972**

UNDER THE FEDERAL INSECTICIDE  
FUNGICIDE AND RODENTICIDE ACT  
FOR ECONOMIC POISON REGISTERED  
UNDER NO. 4321-6. SUBJECT  
TO ATTACHED COMMENTS.

**DIRECTIONS**

Hang cloth bag in closet or lay on shelf or in drawer. Contents of this bag will treat up to 700 cu.ft. Sun-Pac fumes are heavier than air. For best results place bag at highest point in area to be protected. Sun-Pac quickly and effectively rids all areas of mildew, musty odor. Occasional inspection to replenish supply if continued effectiveness is desired.

For musty odor in bedding, place one bag Sun-Pac along with mattress, quilts, blankets, sheets, in a sealed closed space no larger than 100 cu.ft. Leave articles 24 hours. Bedding will be clean, sweet and fresh.

*PROTECTS*

*Fabrics, Leather, Papers, Wood*

When closing home for vacation or season, place one bag Sun-Pac for each 700 cu.ft. of space. Upon return, air or ventilate home thoroughly prior to reoccupancy. Home will be sunshine fresh, no mildew or musty odor.

*For Maximum Effectiveness Keep Vapors Confined As Much As Possible*

Avoid prolonged breathing of fumes. Concentrated fumes may cause irritation of skin, nose and throat. Keep from children. Harmful if swallowed.
