4 WAY ACTION**

Thoroughly brush and clean all articles to be stored. Place them in airtight trunk, garment bag, chest, storage closet or drawers. Cover with Kil-Mor Moth Balls or Flakes.

Spread liberally, using one pound for each 50 cubic feet of confined storage space. A normal size storage closet (5' x 2' x 9') requires 2 pounds; a large trunk at least 1/2 pound.

When unpacked, articles should be thoroughly brushed and hung in the sunlight and air to eliminate odor.

No. 4328-14 should not be used in places where children play. This is a precautionary measure to protect children from the possibility of swallowing the product. The product is not intended for use in such places.
