

SANIT - EASE

An excellent glass sanitizer for insuring sparkling clean glassware

- ..eliminates cloudy glasses
- ..leaves no odor or off-taste
- ..does not affect beer 'head'
- ..reduces glass breakage--
glasses are not slippery
- ..can be used with any detergent

ACCEPTED
 1970
 4-13

ACTIVE INGREDIENT:

Dichloro-s-triazinetrione 13%

INERT INGREDIENTS: 87%

U.S.D.A. Reg.No. 4389-13

CAUTION: Keep out of the reach of children. Avoid contact with skin and eyes. In case of contact, wash thoroughly with water. Avoid contamination of food. Harmful if swallowed.

CAUTION: Keep out of the reach of children. (See cautions elsewhere on back panel)

DIRECTIONS

WASH TANK Use 2 scoops (1 oz) GLASS-EASE for each 3 gallons of water (110-120). Add nothing else, but change water often. DO NOT add more GLASS-EASE to soiled water.

RINSE TANK : Use clean water only (change often)

SANITIZING TANK : Use 1 scoop (1/2 oz) SANIT-EASE for each 3 gallons of water. Sanitize by soaking for two minutes. Add nothing else to sanitizing solution.

NOTE: After washing or rinsing, hold glasses over tank for a second before placing in next tank. This allows the soil and water to fall back into tank and be carried over into next tank.

NET WT. FIVE POUNDS
