POISON

**DANGER:** KEEP OUT OF THE REACH OF CHILDREN. Contains sodium hydroxide. Causes severe burns to skin and eyes. DO NOT GET INTO EYES, ON SKIN OR ON CLOTHING. In case of contact immediately flush skin with plenty of water. For eyes, flush with water for at least 15 minutes and get medical attention. DO NOT TAKE INTERNALLY. When handling wear gloves and goggles or a face shield. While making solutions, add slowly to surface of water to avoid spattering. Avoid breathing spray mist or dust.

**ANTIDOTES:** External-flood skin with water. Then wash with vinegar. For eyes, wash with water and then with 5% boric acid solution. Internal-give lemon juice or vinegar copiously and follow with olive oil.

**DIRECTIONS:** For use with steam cleaner or power brushing devices use 1/3 oz. MASTER C-AX per gal. of water. Follow with rinse. For pressure spraying use 1/3 oz. MASTER C-AX per gal. of water. Follow with rinsing. For sanitizing thoroughly cleaned surfaces, flood or spray with a solution of 2 oz. MASTER C-AX per gallon of water. Rinse all equipment with clean water before reuse.
