#### STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Give large quantity of milk, egg whites, gelatin solution, or if these are not available, give large amounts of water. Avoid alcohol. Call a physician immediately.

If in Eyes: Flush eyes with plenty of water for at least 15 minutes and get medical attention.

If on skin: Flush skin with plenty of water. Remove and wash contaminated clothing before reuse.

See additional precautionary statements on left side panel.

FOR USE IN COMMERCIAL - INDUSTRIAL LAUNDRIES

### DIRECTIONS CONTINUED:

#### STORAGE AND DISPOSAL

**STORAGE:** Do not contaminate water, food, or feed by storage or disposal. Sweep up spills or leaks and dispose of in an approved waste disposal area.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of in a sanitary landfill, or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused dispose of in the same manner.
