

8 Kiv I handle —  
 For external use only.

**CHIGGERS (Red Bugs)**

For effective action against these small mites mix one oz. Santi-Kleen with each gallon bath. Bath should be taken soon after exposure before these mites have become imbedded in pores of skin. Additional soap may be used with this solution.

**FLEAS**

Mix 3 oz. Santi-Kleen with each gallon of water. Bathe dogs in this solution. Spray or sprinkle this solution in kennels or other places infested with fleas.

**BACTERICIDE**

MIX 3 OZ. SANTI KLEEN WITH CUP (8 OZ.) WATER FOR EFFECTIVE ACTION AGAINST S. CHOLERAESUIS AND TYPHOID BACTERIA. DIP WATER FROM TOILET BOWLS BEFORE APPLYING
